

Harris County Office of Court Management

For all County Courts and Justice Courts we support (36 courts), our virtual appearance and live streaming page <http://www.ccl.hctx.net/CourtStream.html> allows anybody the ability to:

1. Access the courtroom virtually (for court staff and parties to a case)
2. View the live-stream of a court that has activated their court's stream
3. View an indicator of the streaming status of each Court Administration

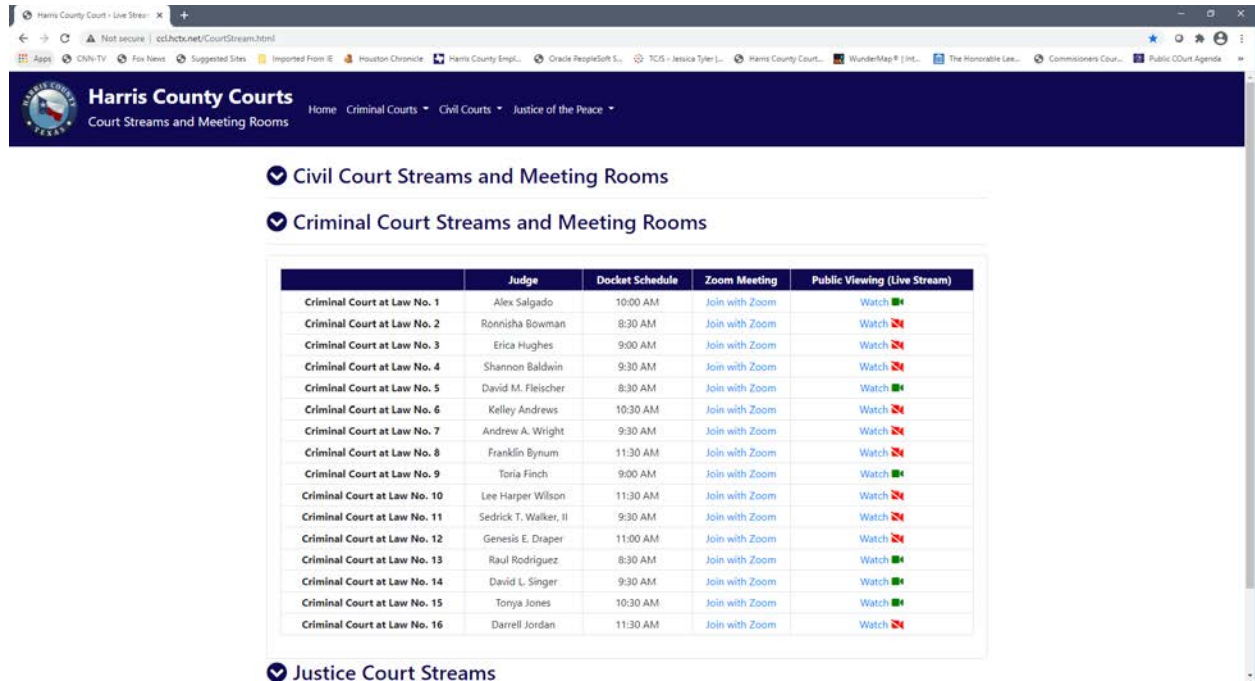

This has been in place since June of 2020. As of January 20, 2021, the 7-day rolling count of page views is as follows:

Live Streaming page: 4,960

Our main webpage's landing page (ccl.hctx.net): 2,835 (approximately half the zoom courtroom page hits)

As is stated previously, we publicly launched this page in June of 2020. Less than two months later, this page began outpacing our main website landing page and has continued to do so ever since.

This is how it appears on the website:

The screenshot shows the Harris County Courts website interface. The header includes the Harris County Courts logo and navigation links: Home, Criminal Courts, Civil Courts, and Justice of the Peace. Below the header, there are three main sections: Civil Court Streams and Meeting Rooms, Criminal Court Streams and Meeting Rooms, and Justice Court Streams. The Criminal Court Streams section is expanded, displaying a table with the following data:
